WINT & LILA RECOMMENDS
RESPONSIBLE CONSUMPTION

WINT & LILA

Smooth and delicate, with refreshing notes and an herbaceous, citrus finish.

It combines classic botanicals such as juniper berries, coriander, angelica root and cinnamon with others such as orange, lemon and lime peel, orange blossom and spearmint.

A unique process that includes individual maceration of the botanicals, bain marie distillation and the final blending of the different distillations with purified water and 5 times distilled grain alcohol.
