LONDON DRY GIN

*Distilled & Bottled  
in London*

Exclusive premium gin named after a famous London neighbourhood. Crafted according to Charles Maxwell's original formula and distilled in London.

Its 9 botanical ingredients give it a subtle smoothness and a taste of soft contrasts.

Distilled and bottled in one of the four distilleries located in London using the traditional London Dry Gin method. In its production, a complex process of 5 distillations, 9 plants are involved, juniper berries, liquorice, cassia, orange peel, lemon peel, nutmeg, coriander seed, angelica root and orris root.
